Law Enforcement Response to Active Shooter
January 27-28, 2018 - Orange County, CA

The Law Enforcement Response to Active Shooter Program is designed to provide the student with the knowledge and skills to successfully handle an active threat event. It encompasses both the Immediate Action Rapid Deployment (IARD) and Multiple Assault Counter Terrorism Action Capabilities (MACTAC) curriculums. This program will provide the student with proficiency through hands on training, interactive drills, and intensive scenario based force on force. Students will receive a wealth of one on one instruction with a low 1 to 4 Instructor/Student Ratio. Minimum of 4 Instructors per course.
